Deborah Henson-Conant's alternate Birthday Song

Congratulations! You Made It This Far!

Congratulations, you made it this far!
Congratulations for everything you are.
When you think you're nowhere doin' nothin',
to me you are a shining star.
Congratulations, you made it this far!

They say that sadness and pain
makes you a little bit deeper.
They say that love and kindness lightens up your load.
They say that every mistake you make
makes you a little bit wiser.
Congratulations, you made it this far!

- CHORUS -

There are times when you give up,
And there's gonna be times when you give in,
Times when losing is the only way to win.
And there are times when troubles
come banging on your door,
But let me tell you, honey, there's a whole lot more:

There's human kindness just a'walking down the street.
There's a little bit of greatness in everyone you meet.
And there's a world of wonder in who you are.
Congratulations, you made it this far!

- CHORUS -
