

Final Beginning Harp Project
5/1/23

Opening: Talk about the first time I saw a harp as a child.
Explain harps in general: pedal, lever, acoustic, electric
Music interspersed with talking: 2/5/1/6 and glisses

Music options: Blues in D talking "I'm a blues girl"
Ab minor blues with no words
Baroque Flamenco (parts of it)
Shelter in Place (slow by Brandee Younger)

Questions: Is it best to end with a slow song or BF?
Alternate talking and non-talking pieces?
Chat about each piece before playing or just play through?

All suggestions welcome!!!
